4" x 6" Vertical Custom Dual Easel Photo Frame

Item No. DF5810-46

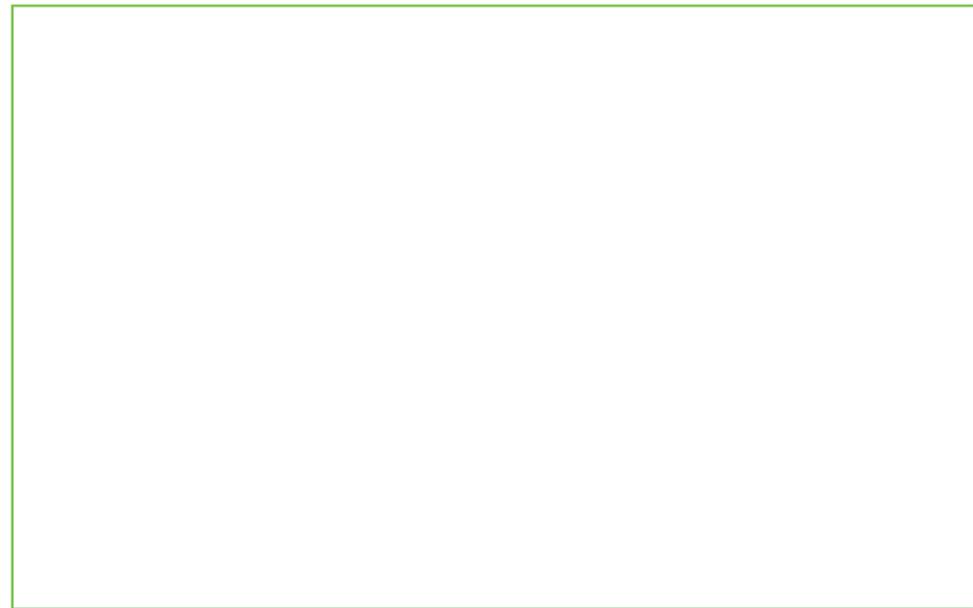

Do not flatten your artwork layer with the template layer!

Keep this file as a layered document, with our template on one layer and your art on separate layer(s).

Please add 1/8" bleed to all outside edges and into the window opening making sure your artwork extends beyond the light green template.

Be sure all images are embedded and that all fonts have been outlined. When finished, you can upload layout when placing your order or call us for other options.
